winning & wi

There are many different kinds of winning. "Winners" are the people who get what they want from life, whether it is through sports, academics or even helping others. The term "winning" may sound phony; it brings to mind luck and odds. It sounds too materialistic, too full of "A's", or musclebound athletics. True winning is no more than one's own individual pursuit of life. You don't have to be lucky; winning is taking the talent or potential you were born with, and have since developed, and using it towards a goal or purpose that makes you happy. Winning is the accomplishment of your dream, fultilling yourself as a person with high self-esteem.

True winning is all in the attitude, and the attitude you have toward your potential is your key, or your lock to life.

The Wings '84 staff have made this yearbook a record of all the winners in the past year. We have recognized your effort in making this school one of the best. It is your attitude and your spirit that "make" Bev Facey.

The 1984 Edition of WINGS is dedicated to Dr. B. Drysdale who epotomizes the winning tradition that has become clearly evident here at Bev Facey. This spring, after many years of hard work, he completed and successfully defended his Doctorial Dissertations. Dr. Drysdale will formally convocate as a PhD. in Secondary Education from the University of Alberta in October, 1984.

PRINCIPAL'S MESSAGE

The school year has been very fulfilling for me, as I have experienced for the first time in three years, a sense of stability in our school. I attribute this stability to the acceptance by students and staff that this is their school. A school of which they come to be very proud. It feels good to be shedding that "new school mystique".

I am also very proud of this year's accomplishments. We have gained provincial recognition in our academics and our athletics. Our students were very successful in the new provincial diploma examinations. I am confident we will maintain these high standards, in future years.

I offer my sincerest congratulations and best wishes to the grads of 84. To the undergrads, I look forward to your return and wish you continued success in your endeavours.

In closing, I truly hope it has been a very enjoyable and profitable year for all students. I wish to thank the yearbook staff for their efforts in producing this edition of the 1984 Wings.

Mr. J. Sawchuk
Principal

PRESIDENT'S MESSAGE

I'm sure all of Bev Facey joins me in congratulating this year's graduating class. By being the first Bev Facey graduates to complete your high school career at our school you have marked a milestone in Bev Facey's history.

Another milestone will be achieved next year as the graduating class will consist of Bev Facey's first grade nine's. My congratulations to them also.

I would also like to congratulate the students for the work and effort they have put in to making Bev Facey a school one is proud to be a part of. I sincerely hope you continue to make Bev Facey a pleasure to attend in the years to come. Mr. Herman Roehr President of the Student's Union P.S. I would also like to thank my friends who have made my high school years so enjoyable.

September 1-9

The school year of 1983-84 began with excitement and anticipation. The number of students and teachers had increased by 10%. The population count was 62 teachers and 848 students as of Sept. 20, 1983.

Clubs and activities were calling for new enthusiastic members. The call was answered with great eagerness and optimism. The Salisbury Sabres included 15 talented Bev Facey guys on their football squad. Volleyball players were also busy this week training, striving to make the team. C*B*E*V* "Selective Rock" Radio was "on the air" the new voices and sounds. But C*B*E*V* was not the only club sending music through the halls. Facey Jazz began its morning practices with rousing songs such as "The Stripper" and "Rock Around the Clock".

With activities in motion, the school was busy at lunch hour and after school. But the school was also busy during school time. The classrooms were filled with students learning new concepts and formulas. Even during the first week of regular classes, students were found doing last minute preparations for a test in some teacher's class. What teacher would give a test so soon? (We'll never tell.)

The tragedy of the Korean jetliner that crashed on September 1st with 269 passengers on board still remains a world wide issue.

Israel organizes a new coalition government after the news of Menachem Begin's resignation as Prime Minister.

Z'Anne Harvey, pictured here with her mother and the most recent of the many awards she has received during her school career, is the author of the copy that graces the pages of this book.

Z'Anne cheerfully accepted the often unheralded task of yearbook copy writing and managed to fit the work into an already incredibly busy schedule that includes sports, music (teaching and studying piano), grad and students union, and a study regimen calculated to maintain an excellent academic average.

Z'Anne's writing certainly adds an extra dimension of excellence and pleasure to our book that we are certain will enhance it's personal value in the future.

September 12-16

"Welcome to all new students, especially new grade nines and tens!" This was what Welcome Week was all about. It was a time for getting to know new students and teachers. The Student Council "got the ball rolling" with the traditional ticket exchange. Each student had to find another student of the opposite gender with the same number on their ticket. Students and teachers were very ingenious in the ways they used to find their "match". Some carried placards while others stopped every person they met to ask "What number are you?" Mr. Kurrie tried the hardest to find his match . . . did he ever find the "right girl"? The winning couples in the ticket exchange were:

Grand Prize: Brad Larson and Denise Story

First Prize: Tom Thomas and Brenda Eklund

Second Prize: Gary Greyson and Kathy Erdmunn

Third Prize: Craig Garen and Mrs. Harris

On Tuesday, there was to be a Snowball Fight, but that idea melted! No, it was cancelled due to the Fire Alarm. (Don't worry, it was a false alarm.)

On Wednesday the Tug-of-War took place. The powerful teams were divided into grades. There was also a superior teachers team (at least they thought they were superior).

The grade twelve team won themselves free tickets to the Welcome Week dance on Friday . . . even though they lost to their older (??) counterparts - the teachers.

Thursday, at noon was the challenging Obstacle Course. Just ask any of the intramural participants how challenging it was. The Green house came in first followed by the Purple and Orange Houses.

The Welcome Week Dance ended the week on a less competitive note. All in all, the new students and teachers of Bev Facey had to admit they were thoroughly welcomed.

Brian Mulroney took his seat at the opening of the fall session of Parliament. He became the new Leader of the Opposition for the Progressive Conservatives. Jackie Parker became the new coach of the Edmonton Eskimos. His team won their first two games, with him as coach, by large point margins.

September 19-23

It was a sports filled week. The senior girls Volleyball team was involved in two tournaments. They won the first one in a final against the Salisbury team. At the second tournament the girls were in, they came out on top of twenty-four teams. At the Jasper Place tournament the Senior Boys Volleyball team came in fourth. The other two pieces of sports news involved football. The first news was that the Salisbury Sabres added another win (38-5) to their record. The second news was that the Intramural Flag Football was underway. The competition was strong, but there was also a lot of fun had by every member on the co-ed teams.

If there were any students or teachers wanting a holiday, one was being planned for Spring Break. The Bev Facey European Tour Group began planning this year's fun. The group discussed two possible tours. One was to Paris, Heidelberg and both Berlins. The other choice was to go to Paris, Monaco, and Nice.

Bev Facey was "in action" in many ways.

LIBRARY

Left to Right: Mrs. G. Eddicott, Mrs. C. Eddy, Mrs. J. Whittall, Miss D. Nelson

The beginning of the week began with a "cold" shock, snow!!! Luckily it disappeared in time for the runners in the Terry Fox Marathon of Hope for Cancer research. Mrs. Eddicott, from the library, raised $69 when she ran in the Fort Saskatchewan Marathon. The other shock of the week was the County of Strathcona Teacher's vote of 94% to hold a strike vote. It caused many interesting discussions between students. Some could not wait for the possible holiday while others (especially grade twelves) were worried about what would happen to their marks.

GRADE NINES: (Bottom Left to Top Right): Trevor Arnold, Kirk Bell, Troy Bertholet, Trevor Bott, Randy Buchanan, Christine Buffat, Robert Carbert, Steven Carey, Cornelia Carlson, Cathy Cumbt, Greg Delowsky, Leslie Dimmer, Karen Eccleston, Ramona Fedina, Sandy Flobert, Marvin Finnman, Jill Folliott, Richard Gaumont, Dan Goyan, Larry Groten

GRADE 9 GIRLS VOLLEYBALL: Back (Left to Right): Mrs. Miller, Sandy Flobert, Deanna Klein, Karen Eccleston, Kim Reid Front (Left to Right): Ramona Fedina, Sherri Maxfield, Tammy Swanson, Christine Buffat.

September 26-30

Two new clubs and one new team began during this week. The Badminton Club began its Wednesday early morning practices. The Ski Club with its forty enthusiastic skiers, also began. It held its first fund raising project; a car wash at the school. The swim team composed of students from Bev Facey, Archbishop Jordan and Salisbury, began practicing too. The music and drama departments were busy getting ready for upcoming performances. The Wind Ensemble began having an extra rehearsal one noon-hour a week. The one disappointment of the week was the cancellation of the Turkey Trot because of lack of participants. The prize was to have been a $25 Safeway voucher for the top boy and girl who ran.

Lebanon's civil war stopped this week after a ceasefire agreement was worked out. The war pitted Syrian-backed Druse Moslem militias against Christian militias and the Lebanese Prime Minister Shafik Wazzan and his cabinet resigned.

October 3-7

After a month of school, most clubs and teams are organized. Both students and teachers are busy with schoolwork. The fashion club, under the leadership of Helen Chang and Cathy King began learning about today's fashions, and make-up. The cheerleading team had its try-outs this week. The team consists of 8 girls with lots of school spirit. This week's intramural program included tennis and more flag football.

The Nobel Peace Prize winner for 1983 was announced this week. Lech Walesa the leader of the now outlawed Solidarity union, was the recipient. Solidarity, the Polish labor union, was the Soviet bloc's first independent union.

FOCUS ON BEV FACEY

This week of school was shortened to four days because of the Thanksgiving weekend. Students came back on Tuesday after enjoying turkey dinners with family and friends. On Thursday, the 2nd Vice President was elected by the grade ten students. Brian Reimer is the final member of the 83-84 Student Council. The "old folks" of the school, the grade twelves, had an assembly to discuss Graduation and Diploma requirements. The grade twelves are enthusiastic and excited about planning their Grad celebrations. Thursday certainly was the highlight of the week for a lot of people. In the evening an Open House was held for parents, and students. During the Open House the Fall Awards Ceremony was held. Honor Awards were given to 82-83 recipients. There were ten grade twelves, fifteen grade eleven and thirteen grade ten recipients.

Exciting News! Mrs. Forest and Mr. Sawchuk have a new member in their family What did they have??? (Check next week's article to find out)

FOCUS ON THE WORLD (EVENTS OF THE PAST WEEK)

The County of Strathcona teachers may be moving closer to a strike after they voted 83% in favor of one. They planned to negotiate this weekend with the School Board.

On Saturday October 15, the Saddledome opened in Calgary. Edmonton Oilers beat the Calgary Flames 4-3 at the new Coliseum.

(Top Left to Bottom Right): Debra Bressler, Christine Brown, Chris Brown, Lisa Brugger, Richard Bunnage, Randy Buswell, Stephanie Callow, Cheryl Cerveny, Craig Cherwak, Christine Chomiak, Glen Christensen, Deborah Clark, Judy Cowan, Janet Cunningham, Rodney Cunningham, Darren Dahl, Shannon Deiss, Clayton Dexter, Darren Dick, Dean Didow, Jaquelyn Donhou, Jennifer Douglas

October 17-21

The grade twelves were busy preparing for the future. The grad committee began accepting nominations from interested students. Because there are many jobs to be done all nineteen grade twelve students nominated were accepted on to the committee. These students have an exciting job ahead of them. They have the responsibility of making Grad 84 a memorable occasion.
Are you winter, spring, summer, or fall? At the Fashion Club, some girls had the opportunity to be color draped. Mrs. Eddy, the librarian came in and gave the twenty girls some information on wearing the colors that best suit each of them. It was a fun and interesting experience.
Intramural soccer began this week. Some students are finding out that "soccer is a kick in the grass". The other sports activity to begin this week was wrestling.

Monday was municipal election day. In the County of Strathcona there were five new faces; Jim Common (Division 2) Ed Marsh (Division 3) Al Schnideler (Division 4), Iris Evans (Division 7) and Dean Bell (Division 9)
There was a big upset in the mayoralty race in Edmonton. Cec Purves lost to Laurence Decore in a landslide victory.

JUNIOR BOYS VOLLEYBALL (Top Row, Left to Right): Barry Roberts, Mark Sigurdson, Kelly Service, Jason Suppes, Clayton Dexter, Barry Roach, Mr. Gullekson (Bottom Row, Left to Right): Stacey Howard, Daryl McNally, Greg Schiewe, Josh Macdonald, Kevin Husky

CHESS CLUB (Left to Right): Richard Bunnage, Jack Smith, Mike Kyle, Troy Gemmer, Brian Sorochan, Terry Schroeder, Darren Dahl, Byron Sand, Mr. Barron

October 24-28

The Graduation Committee for 1983-84 began its preparations this week. The committee organizes all the fundraising events, the ceremony at the Alliance Church, and the banquet and dance at the Convention Inn South. Elections were held on Wednesday the regular meeting day and the positions were filled by the following people:

Grad President:	Sherry McGinnis
Treasurer:	Z'Anne Harvey
Secretary:	Cheryl Ball
Communications:	Jodi Rohrer
Committee Chairpersons:	
Fundraising:	Lee Dreger
Ceremony:	Annette Braaksma
Banquet:	Cathy King
Invitations:	Andrew McBride
Decorations:	Carrie Saruk
Yearbook:	Ishana Haripersad
Photographer:	Helen Chang

The nineteen grade twelve students on the Grad Committee work closely with a staff Grad Committee. The sports teams in Bev Facey were involved in regular season play. Congratulations went out to Sue Riopel for winning an All-Star Award at the Salisbury Volleyball Tournament on the weekend. The European Tour Group started raising funds for its March Break tour by selling Halloween Grab Bags.

Most of Alberta began this week with its first taste of winter. The snow was welcomed by skiers looking forward to hitting the slopes. Unfortunately for them, it didn't last long. Mother Nature decided to give those people who hate shovelling snow a few more days of grace. The biggest piece of news this week involved the Americans. Under the leadership of the United States, the allied forces of the Eastern Caribbean countries invaded the country of Grenada. During the week, citizens of other countries who have been living in Grenada, were making arrangements to leave the invaded area.

October 31 - November 4

It anyone visited Bev Facey on Monday October 31st I'm sure they would have been surprised to find out they were in a high school. Below are some examples of what people turn into on Halloween day at Bev Facey:

Office Staff.	Mr. O'Reillys
Miss Crookshanks:	A chicken (she no longer likes chicken burgers or chicken a'la king)
Mr. Sawchuk:	Superman (Ever seen a principal in tights?)
Mr. Jamieson:	A Blue Jay
Helen Chang:	A clown
Rod Kurylo:	A pumpkin
Carrie Saruk.	A beer can (she had a little trouble getting through all the narrow doorways)
Brad Jansen:	3 legged man
Rayna Haythorne: and Michelle Brugger	Pigs
Randy Zingle:	swashbuckler

The contest for the best costumes was won by Randy Zingle and Carrie Saruk. There was a consolation prize given to Rod Kurylo. Thanks were offered to Helen Chang for the work she did with the Fashion Club during its operation in September and October. The highlight of the eight weeks was the color draping done by Mrs. Eddy. Working with Helen, were two people, Mary-Anne Albers and Cathy King, who helped publicize the different things the clubs did. The music department this year, developed an award to honour the hardest working board member in each month.

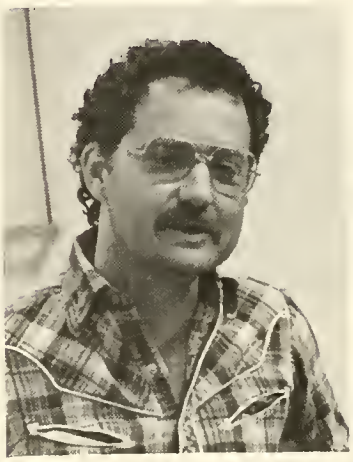
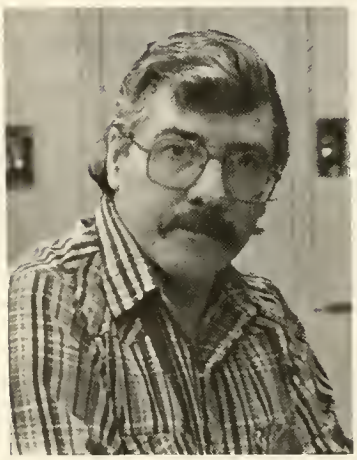
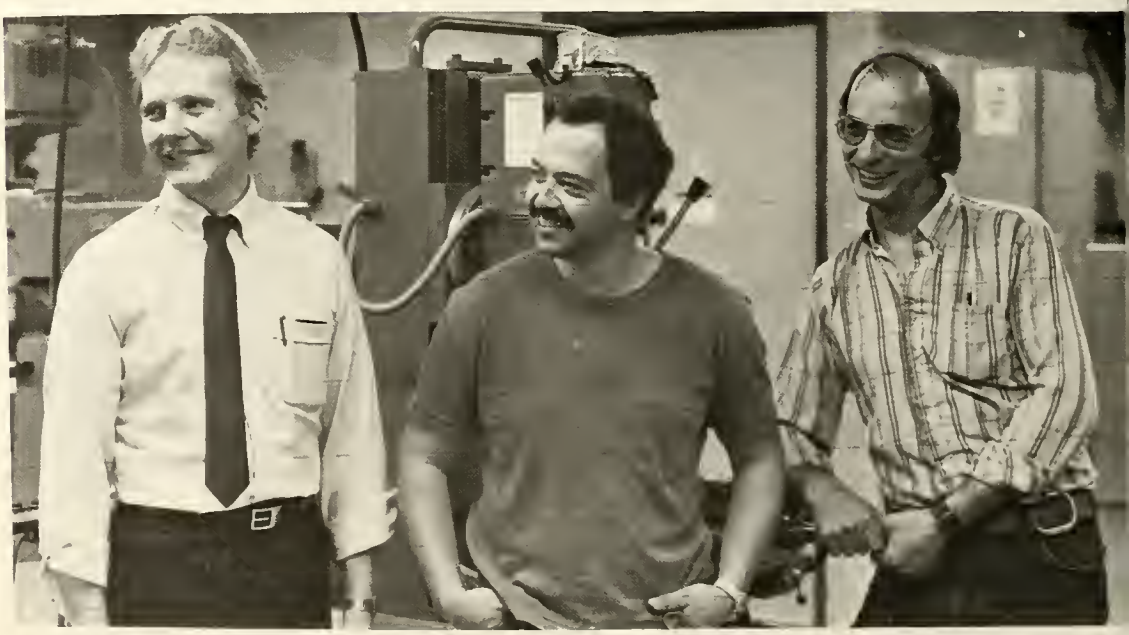
INDUSTRIAL ARTS







LEFT OVER FROM LAST WEEK

The recipient for October was Stuart Frunchak. The biggest event of the week at Bev Facey was the Air Band Contest. There were four air bands competing for the fifty dollars in prize money. Johnny O.P. and the Spasms, the winners of last years contest, came back and made a guest appearance. Nana Miskouri and the Babushkas caused the greatest uproar. Everyone enjoyed the crazy antics by lead singer Rod Kurylo. Randy Zingle and the Pringles were the winning air band. The members of the band were Randy Zingle, Kelly Husky, Allan Elgie and Perry Cook.

Edmonton Eskimos lost to the Toronto Argonauts. The Eskimos still managed to get a place in the CFL play-offs. The teams has the fans wondering whether the Eskimos are at the end of their winning streak of five Grey Cups.
In British Columbia, 35 000 members of the B.C. Government Employee's Union walked off their jobs. They're protesting Premier Bennett's policy of firing workers. So far, by striking, the union has stopped the planned dismissal of 1600 government workers.

November 7-10

This week of school was enjoyed by students and staff alike because it was only four days long. Friday was a holiday because it was Remembrance Day. In memory of the soldiers who died in W.W.1 and W.W.2 both students and staff wore poppies. Donations were also given to the Canadian Legion's Poppy Campaign.

Facey Jazz played two concerts on Tuesday. In the afternoon the jazz ensemble went to Ellerslie Junior High to play for the band students there. In the evening they played at the meeting of the Band and Athletic Booster Club. The Wind Ensemble and Facey Jazz are also busy selling spices as their first fundraising activity. They are earning money to pay for their March Break trip to Colorado.

The European Tour Group had a meeting Thursday evening with parents and students involved. Mr. Stewart and Mrs. Forest the two teachers organizing the tour, ran the meeting. Information and details about the tour were discussed.

The Salisbury Sabres had an exciting week of football action. They won their semi-final game 23-0 over Ross Sheppard. They advanced to the City Championships against O'Leary. The Sabres lost 16-15 to O'Leary. Joel Brown, the Sabres quarterback, was awarded the Halibeirton Trophy for Most Valuable Player in the Southern Division.

The Junior Football League's little Grey Cup was held on November 12 in Windsor Stadium. Edmonton Wildcats beat the Ottawa Sooners. The Bev Facey's own Student's Union President, Herman Roehr, played on the Edmonton Wildcats.

(Top Left to Bottom Right): Connie Gordon, Kevin Goss, Dean Gossen, Lisa Gratton, Lori Griep, Brian Hampson, Tracey Hanel, Shelly Harmon, Myrna Harrison, Alden Hartmen, Daniel Hessenbruch, Ruth Hessenbruch, John Hill, Alexandra Hollas, Darcy Homeniuk, Bradley Hoover, Dana Hopper, Stacey Howard, Terrie Hoyle, Kevin Husky, Giselle Jeremy, Kelly Jordan

November 14-18

Students found this week relaxing and short because they got Wednesday and Friday off. Wednesday was Teacher's Institute; a day for teachers to learn and discuss techniques of teaching. Thursday evening and Friday morning all teachers were available for interviews with parents and students. While some students spent these holidays studying for Math midterm exams, others took time to begin their Christmas shopping and planning.

Midterm report cards were also available this week, and so was the updated graduation list. During the year the possible graduates are able to check their credit standing on the grad list.

Graduation committees began their individual meetings. Fundraising meetings were held. The students on this committee were busy organizing the chocolate bar sale that starts on December 1st.

For the avid readers at Bev Facey, a book fair was held which sold books at 10% off. This book fair was a business venture for Basic Business 30. The Bev Facey - Salisbury Junior boys curling team trounced Bonnie Doon this week while the senior boys' team narrowly missed defeating Ross Shepherd at the Sportex.

On the 18th and 19th of November the Strathcona Youth Association and the Community Association sponsored a Drug Seminar. One hundred and fifty teenagers took part in the seminar called "Getting High On Yourself."

November 21-25

"Go Senior Girls Volleyball team, go!" Cheers like this were heard at the pep rally for the team. The pep rally was held to give the team enthusiasm and support as they go to the Provincial Finals after winning their zone. With the volleyball season coming to a close, basketball try-outs are beginning for both boys and girls. They are junior and senior teams for all interested players. The Facey cheerleaders had a bake sale at Eastgate to raise funds for competitions and equipment.

The United Way Campaign came to a close after it exceeded its proposed monetary goal. Bill Crosby had Edmonton "In stitches" when he discussed "they joys(?) of parenting" at his performance at the Jubilee Auditorium. In the global news, West Germany agreed to let the United States test missiles in their country. Because of this, U.S.S.R. withdrew from talks aimed at reducing nuclear arms.

November 28 - December 2

FOCUS ON BEV FACEY

WE MADE IT TO THE TOP - in volleyball. The Senior Girls Volleyball team went all the way in the 3A Provincial Championship. They won all of their seven games after beating a Calgary team in the Finals. Extra enthusiasm was created by "Leaping" Leppard and the Senior Boys Volleyball team. You should have heard them cheer! The awards for the Sabres football team were presented at this weeks end - of year banquet. The following awards were presented.
Most Outstanding Linesman: Ron Grunsten (Bev Facey)
Most Valuable Player: Joel Brown (Bev Facey)
"Grad '84 will mean more" . . . to those who have helped raise funds for it. The grade twelves, with help from the other students, began their chocolate bar sale. This is the kick - off of Grad Fundraising. The greatest day of the week was Friday because it was a surprise holiday. The school had no water because a water main broke and so the school had to be closed.

FOCUS ON THE WORLD (EVENTS OF THE PAST WEEK)

Well, for the first time in seven years the Edmonton Eskimos were not in the Grey Cup. The Grey Cup was held in Vancouver. Those that attended and those that watched it on television saw the Toronto Argonauts "squeak by" the British Columbia Lions 16-15.

THINK

December 5-9

Christmas is coming closer, and so Old Man Winter decided cold weather was needed. This week was bitterly cold . . . just ask the few people who had twenty minute walks to school (Br-r-r-r!!!)

Christmas preparations are in evidence at Bev Facey. Block 2 classes have begun their competition to make the best Christmas hamper for a needy family in Sherwood Park. Christmas Dance tickets went on sale this week.

The Grad Committees had three meetings this week. The Ceremony committee had their first meeting with their staff helper, Mr. Drysdale. The overall Graduation Committee chose the Grad band on Wednesday. The band is called "Aura". The Grad photo appointment notices were distributed in preparation for photo sessions.

Beauty Culture classes have been busy practicing their styles, cuts, and manicures. On Friday, students at Bev Facey were given the opportunity to receive a manicure from the knowledgeable Beauty Culture 22 class.

The new winter session of Parliament began this week with the speech from the throne. Already, there has been conflict over information included in that speech. Opposition leader Brian Mulroney (Progressive Conservative) wants Prime Minister Trudeau (Liberal) to clarify figures included in the speech.

December 12-16

Christmas festivities were well underway at Bev Facey. A Christmas Hamper Competition was held to help out the Christmas Bureau. Classes organized their own hampers which contained all the trimmings for a Christmas dinner and some toys for the children. Here are some examples ot what enthusiastic students and staff at Bev Facey did.

Miss Crookshank's English 30: a large gift-wrapped box, bow and all
Welding class: welded a sleigh for the children (The winners)
Miss McCabe's Math 23: Sleigh
Mr. Drysdale's Block 2 Biology 30: red stocking

The donations from both students and staff were overwhelming! Great to have such an enthusiastic and caring school!

Music at Christmas? Well, of course. The Bev Facey Bands had their annual Christmas concert on Wednesday. It was a great success! Extra enthusiasm was shown to the band by some "unknown (?)" horn-player in the balcony above the cafeteria. The bands appreciated the nice compliments they received.

On another musical note there was the Christmas Dance. The dance had two added features this year. There was a game of basketball against the "monkeys"? (better ask someone who went to the dance about this). Also there were rock videos.

"Hark the Herald Angels Sing" and "Joy to the World" floated through the hallways this week. The staff carolers were busy bringing Christmas cheer. Other Christmas festivities included a candy cane sale by the grad committee and a gingerbread house raffle to support the Christmas Bureau. The students and staff were very supportive of both fund raising events.

The band shared its musical abilities with four schools during the week; Robin Hood, Brentwood, Mills Haven, and Wes Hosford. Their concerts included some traditional and contemporary Christmas songs. The Drama 20 class was busy practicing and presenting two performances of THEY'D HANG YOU IN NASHVILLE.

Sue Riopel and Cheryl Harrison received the honor of trying out for the Alberta Volleyball Team. What an honor!!!

Yearbook staff had fun on Thursday organizing all the grade twelves for a group photo. What a feat!!!

There was a terrible bombing on the weekend before Christmas at the famous department store in London; Harrods. Diana, Princess of Whales, and Prince Charles visited the hospital where the bomb victims were taken to give their personal apology for the tragic event.

Drama 10 presented the comedy "Phantom of the Orchestra" every day this week. Classes were given the opportunity to view this production.

"Watch them whiz down those slopes." The Bev Facey Ski Team had its first race this week and they did very well. When all their times were totalled, Facey only lost to Archbishop Jordan (a well-established team) by two seconds.

Intramural action this week centered around grade nine and ten badminton, dodgeball, and (believe it or not) arm wrestling.

The following information is the result of the Business 30 class' chocolate bar sale.

Michael Jackson won eight awards in the Pop and Soul categories at the American Music Awards.

A power failure at the film processing plant - so, why is that such a big deal? Well, because of that power failure, approximately two hundred grade twelves received another short reprieve from classes. The grade twelve group photo had to be retaken because the roll of film was damaged when the lights went out.

"Attention, Attention" the government gave all those Grade 12 students taking English this semester a gift (?!?!). English 30 and 33 classes wrote the Written Response part of the new Departmentals.

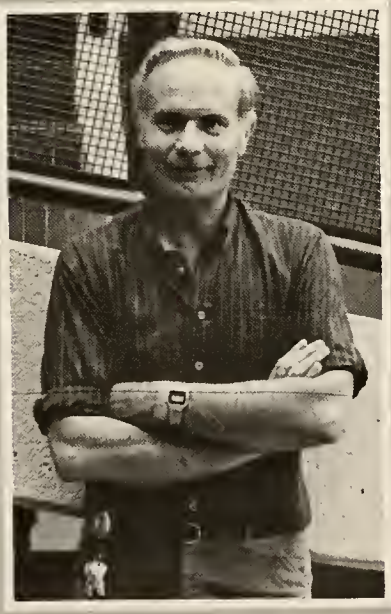
MR. BLEVINS



February 6-10

Exams are over . . . but so is Semester Break. Semester II began for all students on Monday. The students only had to go for three days because Thursday and Friday were Teachers Convention. The ski team used these two days off to go on a ski trip to Banff. They were gone Thursday night to Saturday night. Fun was had by all . . . even Dorlan Hesjedal who landed "only" on his head. Brad Jansen had "an interesting" time as he learned the hard way what ski jumping is like. (BANG!)

The Senior Boys Basketball Team was in Spruce Grove to play basketball on Tuesday.

The Winter Olympics began on February 6 and they continue until the 19th. The Canadian hockey team beat Austria and the United States. Other Olympic events underway are figure skating, speed skating, and skiing. The Winter Olympics are being held in Sarajevo, Yugoslavia.

The sad world news of the week was the death of Yuri Andropov, leader of the Communist party and leader of the Soviet Union on Thursday, February 9. He led the Communist party for only 15 months, the last 6 months out of public view. Andropov was the former head of the KGB for 15 years and he took over leadership after the death of Leonid Brezhnev.

"Say Happy Valentine's to someone you care about by sending them a rose or carnation." This was the slogan the Grad Committee used to sell flowers for Grad '84. It was a roaring success with all flowers being sold ten minutes after the sales began.

The music students at Bev Facey were busy this week practicing for the Strathfort Small Ensemble Festival on the weekend. Many hours of dedication were spent by all instrumentalists to bring the music to perfection.

Indoor soccer was the intramural event for the week and there was also recreational badminton after school.

The Junior Boys and Senior Girls Basketball teams were victorious in their game in Devon.

Hey! Bev Facey made the news! One of our own grade twelve students, Janice Scherger, was second runner up in Miss Teen Edmonton.

The Soviet Union chose a new leader this week. Konstantin Chernenko was named general secretary of the Community party at the age of 72.

On Broadway and in Hollywood, many people mourn the death of Ethel Merman. She was well known for ANNIE GET YOUR GUN.

After months of rumors and speculations, it has been announced that Princess Diana is expecting her second child in September.

February 20-24

Bev Facey musicians did very well at the weekend's Strathfort Festival. The following people achieved first class standings: Tina Ross, Val Schlosser, Jim Flower, Jamie Lewis, Steven Bell, David Brown, Raymond Cypher, Laine Colman.

In the area of sports, the senior boys and girls had their basketball conference playoffs in Fort Saskatchewan. The girls won and the boys lost. Intramurals was a downhill skiing evening at Hidden Ridge with the Facey Ski Team. The Math whizzes in Grade 10 and 11 wrote the Canadian Math Competition exam on Wednesday.

Need a day off to consider your future at the U of A? Well grade twelve students were given the opportunity to do this on Thursday and Friday at U of A - orientation days. Speeches were made to the students on such areas as marks neede, quotes, facilities and the chance of being accepted in a faculty. At the present time, one in every five eligible students will not be accepted at the U of A because of budget cuts.

"What was that brightly colored spot in the sky?" A UFO? A plane on fire? No it was a meteor seen by many people in the province of Alberta.

A sad piece of news this week was the death of David, the boy who lived all his twelve years in a bubble. David had no immune system and so he had to live in a germ-free world.

February 27 - March 2

Good sportsmanship is very much a part of the school atmosphere at Bev Facey. The letter below from Lacombe Composite High School exemplifies this spirit.
Dear Mr. Sawchuk:

I would like to compliment the coaches and players of Bev Facey High School on their performances both on and off the courts at our tournament February 10th and 11th.

You would have been proud to see the Bev Facey teams pulling for their junior girls in the final. They supported their girls totally in a true spirit of sportsmanship. At the final buzzer your students stood and clapped for both teams - quite spontaneously. It was a display of what school sport can, and should, be. You, your coaches and your athletes, are building a fine spirit amongst your students - both on and off court.

We thoroughly enjoyed your school's presence at our tournament - the tone of which was really positive. The referees' association has notified us that the overall level of sportsmanship and intensity by fans, players and coaches was well above average. I feel that Bev Facey was responsible to a great extent for that tone.

We would appreciate feedback, suggestions, etc. on ways to improve our tournament as we start plans for our Third Annual effort.

We hope you will choose to make this an annual date on your calendar.

Thank you for participating.

Yours sincerely,
Gary MacDonald

Intramural soccer was underway this week with great participation . . . and a lot of hot players!

JUNIOR GIRLS BASKETBALL: From Left to Right, Back Row: Mrs. Forsythe, Kathy Erdmann, Lisa Tilley, Lisa Cooper, Jenny Douglas, Jennifer Young, Chris Campbell, Sandy Hollas, Mr. Gullekson Middle - Jackie Donhou, Mr. O'Reilly, Tara Scheurwater Front Row: Beth Risdon, Bonnie Blanchette, Lisa Brugger

Continued from last week:

The ski team was in full force on Tuesday as they raced their 29 member team against Salisbury's 10 member team. Facey won their overall race by four seconds.

All grade 12 grads were busy getting themselves measured for their caps and gowns. The other item of interest for the Grads was the following announcement in the daily bulletin:
ATTENTION ALL TALENTED GRADS - Auditions will be held for the three spots open for talent during the formal Graduation Ceremony. Please leave your name with the office or Mr. Drysdale. Dates for auditions will be announced later. Talent includes dancing, singing, playing an instrument, or short dramatic presentation. Each spot is allowed three minutes for a presentation.

The shocking news of the week was the resignation of the Prime Minister of Canada - Pierre Trudeau, age 64, resigned as the leader of the Liberal party on February 29th. Trudeau's normal flare and class was evident when one realizes he chose Leap Year day to resign. He will stay on a party leader until a new one is chosen at the June leadership convention.

March 5-9

"Congratulations Senior Girls Basketball Team!" They defeated St. Albert and Barrhead in their zone to advance to the provincials.

In other sports news, the ski team had its last race on Friday. After the race at Hidden Ridge, there was a party and an awards ceremony. In the gym the intramural schedule includes 6 on 6 handball and volleyball.

"Another club at Bev Facey? There are already so many fun ones." A chess club is the newest addition to Facey's range of activities.

The Grad class is out working hard once again. This time they are selling raffle tickets for a $200 Easter hamper from Safeway.

Despite many protests and demonstrations, the test flight of the United States' Cruise Missle's Guidance System took place Tuesday as scheduled in Canadian airspace.

March 12-16

Spring must be quickly approaching because the soccer, rugby and track teams are busy practicing for the new season.

Air Guitar contest for semester two was well underway this week with the following bands entered:
1) Dorlan Hesjedal
2) Carmen Martineau
3) Al Elgie (2nd)
4) Dave Murphy
5) Rob Tauber (WON)
6) Carrie Saruk
7) Annette Braaksma
8) Herman Roehr
9) Joan Hennessey (3rd)

The top two bands receive cash prizes and advance to the year final in June.

More music could be heard in the school on Friday night. C*B*E*V* Selective Rock Radio held a St. Patrick's Day Dance. Fun and great dancing was enjoyed by all.

After dancing all Friday night, students and staff had the option of attending the Second Annual Grad Pancake Breakfast. This breakfast, and the bake sale held at the same time, are great for raising Grad funds.

The Liberal party leadership race is well underway with five people running. Among them are John Turner, Jean Chretian and Eugene Whelan.

March 19-23

With March break fast approaching, final plans were being made for the European tour. Sixteen students and two teachers left Saturday March 24 for London. They will spend their twelve days touring Paris, both Berlins and Heidelberg. What an experience to go inside the Iron Curtain!

Bev Facey's Wind Ensemble, consisting of 36 students, will also be on tour during Spring Break. The band will be performing in Montana, Idaho, Utah, and Colorado.

There was a first during the March Break. On March 31 Darlene Kreamer was married to Dean Le Trace. Darlene, who graduated in two and a half years, is Bev Facey's first "Mrs." graduate.

A Calgary - Edmonton 737 airbus caught on fire just before take-off from the Calgary airport. Fortunately, all crew and passengers escaped with only a few bad burns.

April 2-6

"What a March break! Now do I get another holiday to catch up on all the sleep I missed?" There was a lot of Bev Facey students (and teachers) who felt tired this week. "The most tired and exhausted" award would have to go to the Bev Facey Jazz and Wind Ensemble and to the European tour group.

The Facey bands had a gruelling tour of four concerts. There was some time for fun too, as some band members skied the slopes (those are the ones who returned with red faces) and others spent a little (?) money shopping.

The European tour also returned with many stories about their trip. They explained that it was very drab and quiet in East Berlin compared to all the people and "hustle and bustle" in West Berlin. They said that when they left the Iron Curtain the bus was thoroughly checked. A mirror was even slid under the bus to make sure no one was trying to escape.

If you are energetic and not afraid to dance on your shoulders and head, the big craze is breakdancing. Some courageous students tried it during the noon hour this week.

The Sherwood Park Boxing Club held a meet. Congratulations to Richard Olson who won his fight.

April 9-13

There is clear evidence around Bev Facey that Easter is quickly approaching. The draw for the Easter hamper was made on Wednesday. Mr. J. Conley, the father of Chris Conley, a member of the Grad Committee, was the lucky winner. The Horticulture class's greenhouse was also showing signs of Easter. They had Easter Lilies that were either red, orange, yellow, or white in color. For sports enthusiasts the big excitement right now is the Stanley Cup Playoffs. "Show Your Color" Day was held on Thursday. This is a day when the students wear the colors of their favorite contender to win the Stanley Cup. Intramurals were also in on the festivities with a Hockey Showdown. Congratulations went to Wally McDonald (best offence) Ken Eluik (best goalie) for winning the First Annual Bev Facey Hockey Showdown.

This sure was the week of winner. The ticket sales for the Van Halen Concert raffle ended and CBEV Selective Rock Radio drew the winner. The winner was Ben Stocks. Two people tried to scale the Berlin wall to escape out of East Germany. One was shot and the other one escaped. Those who saw the Wall on their European Tour are amazed that anyone could make it over the Wall.

The Academy Awards were held this week. The movie "Terms of Endearment" won the most awards including the best motion picture.

April 16-19

"Bunny girls - in the halls of Bev Facey?" You bet! Sherry McGuinnis, Lee Dreger, Ishana Haripersad and Jodi Rohrer dressed up in their ears and tails, sold Easter eggs to help support Grad '84. It was a success for the Grad Committee . . . and maybe some dentists.

A nondenominational Bible study group that has a general meeting every Friday, had a guest speaker from U of A in to speak on the Existence of God. About 25-30 people attended the interesting session.

"Practices and more practices." Drama students and other who auditioned have been very busy learning their lines and songs for the spring musical, "Thank Zeus, It's Friday". Set construction was on the agenda for the Easter weekend.

On Tuesday, shots were fired from the Libyan Embassy in London. A British police officer was killed. This violent act by Libya caused Britain to break off diplomatic relations with Libya on the Sunday following.

April 23-27

Congratulations to all Bev Facey musicians. The Jazz Band got a mark of 81% and placed second. A great effort was made by all participants in the Edmonton Kiwanis Festival.

Drama 30 presented the play "Adaptations". The leading roles were played by Karen Johnson (Games Master Taxi Driver), James Peterson (Phil Benson), Shelley Craig (Mother) and Andrew McBride (Father).

The Badminton team recently participated in the Fort Saskatchewan High School Tournament and the Provincials. The team entered two girls doubles, two boys doubles, four boys singles and one girls singles. A big thanks to Cheryl Ball, Brian Coull, Angie Erickson, Yvonne Gillis, Darren Grenke, Bill Kellough, Sherry McGuinnis, Brian Olesky, Terry Schroter, Tim Shenkariuk, Sheldon Vivier, Rob Wallace, and Laurie Newton who so enthusiastically represented Bev Facey.

This week included only four days of school because Parent-Teacher Interviews were held on Friday. Midterm report cards were also issued at the interviews.

April 30-May 4

This was the week the Student Council - Administration rivalry came out of the closet for its annual competition. Below are the two letters written by the "top dog" of each group.

Mr. Herman Roehr
President
Bev Facey Composite High School
Students' Council

Dear Herman:
One of our long lasting traditions has been to choose one day a year for the administration to show their superior prowess by annihilating the members of student council in some sort of sport event. Mr. Van Horn has been very accommodating to the students in this regard as he has over the years sought a sport which doesn't require much skill or physical endurance. Although he hasn't really succeeded, he feels that students have a greater chance in winning at slow pitch than anything else.

Thus, Mr. Roehr, I challenge you and your weaklings to a game of slow pitch on the 11th day of May during the noon hour. I trust that you will be able to conjure up enough nerve to respond or concede to this challenge.

I regret that I personally will not be able to compete in this event, as I have another commitment. However, Mr. Leeck, player-coach will be in charge of our most capable team. I would think that you would be very grateful for my absence, as some have compared it to Gretzky's absence from the Oilers, and thus increasing your chances of winning ten-fold.

Yours sincerely,
James B. Sawchuk
Bev Facey's Resident Homerun Slugger

Mr. James (Gretzky) Sawchuk
Resident Home Run Slugger
Bev Facey Composite High

Dear Gretz:
On behalf of the Student's Union, I heartfully regret that I accept your challenge. However, I am afraid that it is not likely that we will be able to provide sufficient ambulance service for your players. But, in good sportsmanship, if I receive a team roster from Mr. Leeck, I would be more than happy to reserve the necessary hospital rooms.

If, however, your team should, after a requested mental and physical examination, reconsider and back down from your challenge, it will not damage the respect that we, the Student's Union, hold for your physical abilities. You see, we do not possess any such respect. Should you insist on this suicidal escapade, we will be present on the 11 of May, and we will try to be as merciful as possible, for I cannot stand to see grown people cry after a bitter defeat by the more prowess Student's Union.

Sincerely yours,
Herman (Mr. Ruth) Roehr
Bev Facey's True Slugger

May 7-11

Grumble, groan! "What teacher would give a Math 31 test on a Monday after a busy' weekend? "Well Miss McCabe did such a nasty thing . . . but not on purpose. You see, on the Friday before she had trouble finding it. Why was she having trouble? Well, Miss McCabe, (by mistake - of course!) gave the class the test as a review the day before. So, lucky Miss McCabe had to make a new test over the weekend.

The Drama 30 play "Adaptations" received the prize for First Runner-up at the Sherwood Park Drama Festival. Diana Craig received the award for Best Supporting Actress.

The Bev Facey Music Department held a Pops Concert. The band members appreciated the students' enthusiasm (and the noise caused by someone's (?) horn).

Nominations were held this week for Valedictorian and Class Historian. The Valedictorian is a student with above average grades, is involved in school activities and possesses public speaking abilities which can be used to deliver the farewell address at Grad. The Class Historian is a student with average marks, is heavily involved in school activities, and possesses the ability to deliver a humerous message on "the way things were".

All sports-lovers are busy keeping track of the New York Islanders and the Edmonton Oilers. The Stanley Cup Finals began this week. Edmonton (of course!!) won the first game 1-0.

All the trivia "experts" in the school were having fun this week with the Terrific Trivia Contest. Some of those questions were certainly pieces of trivial (!?!) knowledge.

This week's fundraising for Grad '84 was the sale of chocolate bars, grad pins and grad invitations.

Students were already looking to the summer. Two representatives from Hire-A-Student gave Math students information on job opportunities, resumes and interviews.

Well, all eyes were focused on two hockey teams this week. The Edmonton Oilers and the New York Islanders battled for five games before one of them took the Stanley Cup. "Who won you say?" "Well just ask anyone in Canada." The Edmonton Oilers!!! The Oilers won the final game 5-2. Celebrations took place all over the Edmonton area.

"Is it finally summertime in Alberta?" Well, Bev Facey students began to think so as they suntanned (or burned) on Monday and Tuesday. But I guess summer wasn't meant to be, because the rest of the week was cold, rainy and very, very windy.

The nasty weather did not stop those summer optimists from dressing up in their favorite beach apparel on Friday. At night, about 150 students enjoyed a Beach Dance at the school. Some real enthusiasts had scuba equipment on (Alan Hendricks and Geoff Matheson).

Intramural sports this week included floor hockey, aerobics, slow pitch baseball, and racquetball.

There was a partial eclipse of the sun on Wednesday but because of the cloudy weather a lot of Albertans missed the great show by nature.

June 4-8

"Rain, rain PLEASE GO AWAY . . ." before all the basements flood again. It rained all week steady and some Grads were speculating whether there would be a reoccuring flood of Grad '83.

"Rain or shine" there was life at Bev Facey. The Music department held their year end concert on Monday. It was a special (but sad) occasion for the band students and Mrs. Schnurr because Mrs. Schnurr is moving back to Ontario (God's country as she calls it). Mrs. Schnurr's hours of work and enthusiastic dedication are certainly commended.

The drama department did its big musical for the year. Advertising and ticket selling were enthusiastically undertaken for THANK ZEUS IT'S FRIDAY by drama students such as Karen Johnson (Diamond) and Loreliel Loveridge.

A representative from most of the World War II Allied nations met at Normandy to commemorate 'D Day'. Forty years has now passed since Canadian soldiers went ashore on Juno Beach, flanked by the Americans, British and Poles. This dagger thrust in the side of Fortress Europe was the beginning of the end of Hitler's reign which ended 11 months later on May 8, 1945.

The school year is coming to a close (FINALLY! . . . all the students and teachers say), and so are the school activities The Facey Falcons won the City Rugby Championships by beating St. Albert. Many "battered and bruised" players nursed stiff and sore bodies after Tuesday's game. Unfortunately, they only had three days to recover for the Alumni game against the 1983 Rugby team. The Alumni game ended in a tie.

The Student Council election nominations were handed in this week. The Council will be organized differently next year because the officers will be voted in by the nominees, not the whole student body.

The Drama 10 class presented their final play for the year, "Alice in Wonderland".

The Liberal leadership convention was held this weekend. The new leader of the Liberal party and Prime Minister designate is John Turner. He will replace retiring Prime Minister Trudeau.

Goodbye School for Another Year

The school year is ending
It slipped away among
finished assignments and marked exams.

It's over - yes,
Three cheers we scream
Time to move on and fulfill a dream

But among the cheers
and shouts - HURRAY
There are many who cherish
this last day.

For them it is a time
in their lives they will
never again experience.

For these exciting, happy,
and talented people are
graduating this year.

They are eating lunch
in the cafeteria - for the LAST TIME
They are going to a certain
class - for the LAST TIME.

But, in their hearts they
are not sharing friendship and love -
for the LAST TIME.

That part of Bev Facey will
never leave its students, teachers
and graduates.
Bev Facey will be a part of "us" forever.

GRAD '84

Valedictorian Address

Ladies and Gentlemen, Fellow Members of the Graduating Class,

The past twelve years of our lives have been spent in preparing us for our future. As we look forward to a new beginning in a different lifestyle, we must remember the time and effort we have put forth to this date. Each of us has reached a plateau in life - a time when we must draw upon the knowledge we have gained. The road to success for each of us will be a difficult and troublesome one, strewn with many obstacles. However, by utilizing the skills we have developed, we can continue to strive toward our goals and, in time, succeed in reaching them.

In the fall of 1981, most of us came to this school as individuals entering a foreign place and knowing very few people. Bev Facey, resembling a "prison" in most of our eyes, was a school without any history or excitement. But as the "prisoners" became involved in clubs, sports, and other activities within the school and met new friends and people from other places, they began to realize there was potential for growth and achievement.

As a result of the efforts of the school community during the past three years, a real history has been developed. Even though we entered the school primarily as individuals, we are leaving as a group - a group bound by effort, tradition, and growing friendship. The moral support and company of our friends, along with the activities and effort we have put forth make this graduation something to remember and be proud of.

When considering how each of us has developed and matured over the past twelve years, we must also remember the effort of others. Not only have our teachers guided us through our academic studies, they have also shared and responded to our problems and difficulties, and helped us gain social maturity. Our parents must also be recognized for the time and effort spent in assisting us financially, academically, and personally. The encouragement and moral support they gave us was usually just what we needed to help us through the difficult times. Now that graduation day has arrived, we must show them that their efforts have not been in vain.

As we approach the end of high school, we must remember one very important fact. Not only does graduation mark the end of our school career, it is both the climax to our present life and the beginning of a bright new future. As we separate and go our own ways, we will realize we have benefitted academically and socially from our high school experience. Now it is the time for each of us as individuals to show society what we have learned, and what we can do.

So I bid farewell to Bev Facey and all the friends we have made, we must remember, "What appears to be the end may really be a new beginning."

Good-bye, and good luck!!

Darren Rawson

The moment for which we have all waited
Has finally come to be
The many friends that are so cherished
We may no longer see
And though this night may bring slight sorrow
The fondest of memories will brighten our tomorrows.

The time to gain our independence
Has finally come to be
The nurtured plans and dreams locked up within
Now beckon to be free
And though we each may feel somewhat unsure
These past years have given the strength to endure.

We gather here this evening to bid a last farewell,
Yet, still we share the hopes and promises
Of what? Only the future will tell
As we the Bev Facey class of 1984
Seek happiness, success, and much, much more!
